## The Daylight Store

ONE WEEK TO EASTER

If you are to wear new Gloves, Neckwear and Garments you will have to get busy at once. Our Easter advertising on Wednesday and Thursday of this week ought to help you decide. There were things there that you can use to advantage. The following is a reminder on

## Easter Gloves

Easter is the best time of the whole year for the sale of Gloves. We are showing the following kinds:

Ladies' Silk Gloves in white, black and colors, in wrist length. These are best goods with double finger-tips—goods that when we have to pay this season's prices will be 75c. Now your choice of the lot at 50c per pair.

We were fortunate enough to get long Silk Gloves in both white and black and before Easter morning will have some in tan.

The white ones with double finger-tips, 16-button length, will be \$1.25. We also have a very heavy White Silk Glove with button wrist, 16-button length, at \$1.50.

Sixteen-button length Black Silk Gloves, same as heavy white ones, at same price, \$1.50 per pair.

Kid Gloves in all colors, white and black, same grade as sold by us last season, at same price, \$1.00. (Have to cut our profit to do this.)

Kid Gloves at \$1.75 come in black, white and colors and are a wash Kid Glove. These Gloves we have had great success with, being so good that trade from away that have bought when here send back for some more of these same Gloves.

## Easter Novelties

Ladies' Hair Ornaments in the way of Combs and Brooches are coming to us as soon as seen in large cities. Lots of the new ideas cost but 25c each, and some of the best only 50c.

Ribbons constitute one of our best lines. When we first started business in Barre this was one of the lines that helped us most to get started, and we have kept increasing it until now we are obliged to have a separate department built for this particular line. The carpenters are at work now in their shops. Popular prices have had their effect. We have always sold a Ribbon for 5c, 10c and 15c that was not for quality equalled. Now we have added the wider widths at 19c and 22c.

Fancy Ribbons at 25c have a large showing here. Many of these Ribbons hardly pay their way. We do this to advertise our other lines. This line at 25c per yard.

Ladies' Collars in plain all-linen at 12c.

Ladies' Lace and Turnover Collars with soft tips for 25c.

Ladies' new Round Collars from 25c up. The 25c one is a good 50c value in Venice.

Ladies' Belts comprise a line considered by us as one of our best. Here are the new ideas. As a Lady's Belt changes style as often as a dress, it's necessary to keep posted. We have a good line of Silk Belts at 25c, but the Belt that we do the business with sells for 50c. (Comes in extra sizes at the same price.)

## Easter Coats

In selecting your Spring Coat you can find most any style you may look for. One of the leaders for the season is the College Coat, which comes in plain, covert and mixed cloths. Some come thirty inches long, with plain and fancy strapped backs. Priced from \$5.98 to \$15.00.

A very dressy Coat, and one which comes in lots of styles, is made coat back and one, two and three-button cutaway front. Comes in a fine quality covert cloth and black broadcloth. Price \$12.50 to \$15.00.

The little twenty-two inch covert half-fitted Coat will be worn quite a good deal, as it carries a style that no other Coat has. These range in price from \$5.00 to \$12.00.

We would not be able to do a garment business without the long 45 to 50 inch Coat, both in mixed and plain colors. These are especially desirable for a riding Coat. These are priced from \$5.98 to \$15.00.

In Children's and Misses' Coats we are showing some values which will be hard to duplicate later.

## EASTER SUITS.

The latest in Easter Suits is the Blouse or Eaton Suit with the new Gibson shoulder. These come in an assortment of cloths and colors, of which the Chiffon Panama is the best.

Suits with Pony Coats are new and are at present selling very well.

ALL OF OUR NEW EASTER SILK AND MUSLIN WAISTS ARE READY.

## Spring Suits Are Ready!

We are ready for the Spring trade with the finest showing of Suits that we have ever had so early in the season. If we have forecasted the Spring fashions correctly, men are going to be better dressed this Spring than ever before. Patterns run from the sober, plain mixtures, and the modest blues to the smart checks and stripe effects in greys, olives and in the new browns. Coats are cut a trifle shorter—soft wide lapels, plain back or center vent. Trousers are cut easy fitting and shapely. Suits at \$10.00, \$12.00, \$13.50 up to \$20.00 or \$25.00. Taken all in all, we can say that our patrons are lucky men, indeed, when they can secure such excellent clothing to live in during the Spring and Summer months at such moderate prices. We clean, press and repair clothing.
